## Independent Accountant's Report on Applying Agreed Upon Procedures

February 14, 2023

Mr. Brian D. Lamkin, Inspector General  
State of South Carolina Office of the State Inspector General  
Columbia, South Carolina

We have performed the procedures described in Attachment 1 on the systems, processes and behaviors related to financial activity of the South Carolina Office of the State Inspector General (the Office) for fiscal year ended June 30, 2022. The Office's management is responsible for the systems, processes and behaviors related to financial activity.

The Office's management has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of understanding the systems, processes and behaviors related to financial activity. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

We were engaged by the Office to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the systems, processes and behaviors related to financial activity of the Office for the fiscal year ended June 30, 2022. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The concept of materiality does not apply to findings to be reported in an agreed-upon procedures engagement. Therefore, all findings from the application of the agreed-upon procedures must be reported unless the definition of materiality is agreed to by the Office's management. Management of the Office has agreed that the following deficiencies will not be included in the State Auditor's Report on Applying Agreed-Up On Procedures:

- Errors of less than \$1,000 related to non-payroll procedures.

We are required to be independent of the Office and to meet other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the management of the South Carolina Office of the State Inspector General, and is not intended to be, and should not be, used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

  - All supporting documents and approvals are present and agree with the invoice.
  - The transaction is a valid expenditure of the Office.
  - The transaction is properly classified in the general ledger.
