Subject: Requiring a login to access the library catalog - PLEASE READ

Good morning!

Considering the current political climate and scrutiny of school library collections, Nancy Gregory, Richland Two's Chief Academic Officer, has asked that we remove guest access to our library catalogs to prevent access by anyone outside of Richland Two who may have malicious intent in searching our library collections.

I am including video instructions to do so in this email. **Please do this as soon as possible.**  
If you have any questions or concerns, please let Cindy and me know.  
Thank you!
